3C/4C longwise set

### „What d’ya want from me?“

I wrote this dance as a warm up dance for my class and wanted it to be „not too dull“.

- 1-4 First couple turn with the right hand.
- 5-8 First couple cast into second place and turn left hand to face second corner.
- 9-16 Turn "reverse" corner, partner, corner, partner, starting with second corner, with a three quarter left hand turn in the middle both times, finishing to face fourth corner position.
- 17-20 First couple dance half reels of three across, giving right shoulder to fourth corner, finishing on own side second place, lady facing down, man up.
- 20-24 First couple dance half reels of three on own sides, giving left shoulder to third corner, finishing in second place on own side.
- 25-32 Diagonal rights and lefts to finish in the order 2, 1, 3.
