3C/4C longwise set

„Ducklings on the Lake of Menteith“

I think everyone knows how calming it is to watch a group of ducklings doing their SCD routines.

- 1-4 First couple set. First lady cast down one place **while** first man dance down into second place, stay facing out (second couple step up on bars 3 & 4).
- 5-8 First man lead first lady around second man, dance down to finish with first man between third couple and first lady between second couple, both facing men's side.
- 9-16 Parallel right shoulder reels of three across the dance; first couple to finish between couples (as they started), facing down.
- 17-20 First couple dance down the middle for two bars (lady behind man), then up for two bars (man behind lady) to finish between second and third couples again, facing up.
- 20-24 First lady leads first man around second man in top place to finish in second place on own side.
