3C/4C longwise set

### „You Haunt Me“

The dance is about one dancer following the other throughout most of the dance. Perfectly suited for a Halloween Ball.

- 1-4 First and second couple set and dance the first movement of the Tourbillon: First couple turn both hands into ladies's side (lady in first place), second couple turn into men's side (lady in second place).
- 5-8 First and second couple dance right hands across **while** third couple set and turn both hands once round, facing ladies' side at the end, lady in the lead.
- 9-16 Full tandem left shoulder reel for all couples on the first diagonal (first man giving left shoulder to his first corner position) to finish on the sidelines as per bar 4.
- 17-24 Set and link twice.
- 25-28 First and second couple, now in bottom places and still side by side on a sideline, dance right hands across.
- 29-32 First and second couple again dance the first movement of the Tourbillon with their partner **while** third couple in top place turn both hands half way back to own sides; all set. Finish in the order 3, 1, 2. Repeat from second place.
