5C/5C square set

„Rhum de feu (Feuerzangenbowle)“

Dedicated to Dagmar Suhm, Beate Bartels and all those involved in preparing a lovely „Feuerzangenbowle“ each November Course at the Kuckucksnest.

Square set with fifth couple in the center of the set facing each other, man with his back towards top.

1-8 OPEN THE BOTTLES

First, third and fifth couple set and link (with fifth couple both pulling right shoulder back and cast to change places), then set to partner and change places both hands, all pulling right shoulder back on the last movement.

9-16 CUTTING AND SQUEEZING ORANGES (AND MORE BOTTLES TO OPEN)

Second and fourth couple repeat bars 1-8. Meanwhile, fifth man with first couple and fifth lady with third couple dance right hands across, followed by the „snake“ to opposite sides into swapped places, with fifth couple finishing in the center, left shoulder to left shoulder.

17-24 Fifth man with second couple and fifth lady with fourth couple repeat bars 9-16, with fifth couple finishing in the center facing partner and fifth man having his back towards fourth place.

25-28 ADD SOME SPICES

All ladys cast one place anticlockwise. Meanwhile, fifth couple dance back to back.

29-40 ADD RUM, FIRE AND MELT THE SUGARCONE (“MIXER CHAIN”)

All change places with possible partner right hand (sidelines and center) in two bars. On the next left hand, all change places with one or two persons; the dancers coming from the center join an outside couple for left hands across (with positions of first man/second lady and third man/fourth lady) to move two places on which brings two new persons into the center.

Repeat two more times until fifth couple is back in the center as in bar 25.

40-48 EMPTY THE MUG

All couples change places one more time with the right hand and set.

Fifth and fourth couple (in top place) change places right hand with opposite person.

Fourth couple (now in the center) petronella turn to new places.

Order now is 5, 1, 2, 3, 4 (center).

Viktor Lehmann, September 2021.
